

Job Title:

Clinical Psychiatrist: Department of Behavioral Health (04 to 06 Billet)

Job Description:

The selected candidate will provide direct patient care to beneficiaries, which may include active duty, family members and retirees.

Duties include Medication Management, Medical Evaluation Boards, Sanity Boards-On periodic basis, Clinical Oversight, Psychotherapy, Chapter Separations, and Groups (PTSD/TBI)

USPHS officers assigned to Army MTF's would be expected to participate in the after-hours call schedule. In all cases, specific duties would be based on the needs of the local clinic. While USPHS officers assigned to an Amy MTF should not necessarily anticipate filling a leadership position, such roles are not necessarily precluded.

Requirements:

License: A current, unrestricted and valid medical license from a U.S. State, District of Columbia, Commonwealth, Territory, or other jurisdiction is required.

Training: The Candidate must possess a qualifying Doctor of Medicine (M.D.) or Doctor of Osteopathic Medicine (D.O.) degree from a medical school that is accredited by the Council on Medical Education of the American Medical Association or Bureau of Professional Education, Committee on Colleges of the American Osteopathic Association, respectively. However, candidates who are graduates of medical schools that are not located in a U.S. State, District of Columbia, Commonwealth, Territory or other jurisdiction, or a Province or Territory of Canada, may be appointed if they are certified by the Educational Commission for Foreign Medical Graduates and meet all other requirements for appointment.

Completion of a Psychiatry residency.

This position is for a minimum 3 year commitment.

Location of Position:

Fort Lee, VA
Approximately 120 miles South of Washington, DC
